Profile

Jordana Loughran is an experienced real estate and business attorney who provides a solution-oriented approach while delivering legal counsel to a dynamic range of clients. Jordana understands that every case is different, and strives to provide individualized service to her clients.

Her practice includes a wide variety of real estate transactional matters and advice work including acquisition, financing, and disposition, as well as planned communities and condominiums. She is also experienced and active in the real estate and business communities, presenting classes to licensed real estate brokers for continuing education credit and consulting on development projects.

Jordana also has experience working with in-house counsel for global communications technology company, and serving as a branding consultant for growing companies.

In her free time, she likes to snowboard, and spend time with her family and rescue dog.
